### **A Great Aridness Climate Change**

A Great Aridness is, perhaps, the best book I've read on climate change because it is so varied—it is a text that deftly balances extensive erudition, compelling writing, and a deep knowledge and passion for the American Southwest.

### **A Great Aridness: Climate Change and the Future of the ...**

In A Great Aridness, William deBuys paints a compelling picture of what the Southwest might look like when the heat turns up and the water runs out. This semi-arid land, vulnerable to water shortages, rising temperatures, wildfires, and a host of other environmental challenges, is poised to bear the heaviest consequences of global environmental change in the United States.

'A Great Aridness ... overgrazing and climate change repeated the events of A.D.1200-1400 in a period of less than 50 years.' 35 Luna Leopold had concluded that climate and geology ...

### **'A Great Aridness' - The New York Times**

A Great Aridness is a beautifully written book about, at least to me, a very sad subject. If you want to know why Arizona is in a precarious balancing act with its water supply, read this book. If you want to know factors causing the increase in forest fires, read this book.

### **Amazon.com: Customer reviews: A Great Aridness: Climate ...**

In the introduction to William deBuys' recent book "A Great Aridness: Climate Change and the Future of the American Southwest," Jonathan Overpeck, a climate scientist who co-directs the Institute of the Environment at the University of Arizona, says: "Climate change will produce winners and losers, and those in the Southwest will be losers.

### **Book Report: 'A Great Aridness' - The New York Times**

With its soaring azure sky and stark landscapes, the American Southwest is one of the most hauntingly beautiful regions on earth. Yet staggering population growth, combined with the intensifying effects of climate change, is driving the oasis-based society close to the brink of a Dust-Bowl-scale catastrophe. In A Great Aridness, William deBuys paints a compelling picture of what the Southwest ...
