An amulet, also known as a good luck charm, is an object believed to confer protection upon its possessor. The word "amulet" comes from the Latin word amuletum, which Pliny's Natural History describes as "an object that protects a person from trouble". Anything can function as an amulet; items commonly so used include gems, statues, coins, drawings, plant parts, animal parts, and written words.

This small amulet is a pair of flattened silver discs set one atop the other—the upper disc has slipped slightly, making a crescent of the lower disc visible in the upper left. The amulet hangs from a fine silver chain, attached by a small silver ring set in the upper left, right above the exposed crescent. A single pale green emerald is set on the upper disc, taking up most of the amulet ...

Shinto (Japanese: 神道), also known as kami-no-michi, is a religion originating in Japan. Classified as an East Asian religion by scholars of religion, its practitioners often regard it as Japan's indigenous religion and as a nature religion. Scholars sometimes call its practitioners Shintoists, although adherents rarely use that term themselves.
