The Student Notebook for Exploring Creation with Advanced Biology: The Human Body, 2nd Edition, a resource to complement Apologia's homeschool high school human body course, is specifically designed to help homeschool students be independent and take responsibility for their science studies as they gain and maintain the personal abilities to create structure and logic through note-taking.

Advanced Biology 2nd Edition Student Notebook | Apologia

Apologia has published yet another excellent science textbook. This is a thorough study of anatomy at a high school level with full-color photos, labs that actually work, links for extra study, and an easy conversational tone. My students prefer the Apologia science books over other home study books we have tried (Abeka, Glencoe, Harcourt, BJU).
