Business And Society Corporate Strategy

Business exists to serve society. Over the past several decades, one of the great discussions within capitalism has centered on defining exactly what a business is and what its obligations are to society at large and to the many stakeholders participating in business systems, including customers, shareholders, employees, suppliers, and communities, to name a few.

Business and society in the coming decades | McKinsey

The link between CSR-business strategy and business benefitsIt is evident from the literature that many companies realize the link between being socially active, increasing stakeholder expectations, and creating profit . .
