New GreenTek Cinva Ram - YouTube

Hydraulics seem like they would be simpler, but the cinva is ingenious in the way it pushes from both sides--greatly reducing the stress and size of steel needed. Getting the same pressure from hydraulics is surprisingly hard. The manual press cycles faster, too, until you get to a \$100k setup. I was shocked, too.

I built a Cinva-Ram CEB press, and I made it easier for ...

The original CINVA ram was engineered by Raul Ramirez of the Inter-American Housing Center (Spanish acronym: CINVA) in Bogota, Columbia, in 1952.
