City Sense And City Design

Kevin Lynch's books are the classic underpinnings of modern urban planning and design, yet they are only a part of his rich legacy of ideas about human purposes and values in built form. City Sense and City Design brings together Lynch's remaining work, including professional design and planning projects that show how he translated many of his ideas and theories into practice.

The nature of the data, and the language in which it is recorded, always have a profound impact on the nature of proposals. Kevin Lynch, 1968 "City Design and City Appearance" in City Sense and City Design, p. 475. City Knowledge Fabio Carrera. September 200440.

Kevin Lynch, 1968 in City Sense and City Design, p. 475 ...

PROJECT NY begins with a recognition of the City as the body of work of many authors—authors that, by and large, do not collaborate with each other directly.. New York City has always been a city of constant change, responsive to the demands of pulsating economic pressures. In contrast to ad hoc measures of reactive planning, PROJECT NY sees the City as an indivisible and evolving organism ...

Planning and Urban Design — AIA New York

The Department of City Planning's Urban Design Principles are intended to be an internal resource for department staff as well as the general public. These will serve those working to improve the livability of New York City's neighborhoods and those who share our commitment to expand, protect and promote our public realm. The principles provide a foundation for understanding neighborhood ...
