In similar fashion, I believe one likely spark for the Second American Civil War will be the result of a coup d'état carried out by anti-America extremists. It will catch most Americans by surprise.

What a Second American Civil War Could Look Like

The last civil war had 2 sides and 2 entire different regions the north and the south. A civil war between Republicans and Democrats would have to be house to house and there would have to be a clear objective (slavery and States Rights were the cause of the first) which there isn't . It just isn't going to happen folks. Reply.
