### Concept Development Practice Page Lenses

Reflective practice is the ability to reflect on one's actions so as to engage in a process of continuous learning. According to one definition it involves "paying critical attention to the practical values and theories which inform everyday actions, by examining practice reflectively and reflexively.

### Reflective practice - Wikipedia

Reflective practice is the capacity to reflect on action so as to engage in a process of continuous learning. In its simplest form it involves thinking about, or reflecting on, what you do. It is closely linked to the concept of learning from experience. Of course, most of us think about what has happened, it is part of being human.
