Toy, plaything, usually for an infant or child, and often an instrument used in a game. Toys, playthings, and games survive from the most remote past and from a great variety of cultures. The ball, kite, and yo-yo are assumed to be the oldest objects specifically designed as toys. Toys vary from the simplest to the most complex things, from the stick selected by a child and imagined to be a ...

A sex toy is an object or device that is primarily used to facilitate human sexual pleasure, such as a dildo or vibrator. Many popular sex toys are designed to resemble human genitals, and may be vibrating or non-vibrating. The term sex toy can also include BDSM apparatus and sex furniture such as slings; however, it is not applied to items such as birth control, pornography, or condoms.
