Five To Rule Them All

"Five to Rule Them All is a well researched book that reaches scientific standards but is also accessible and a genuinely interesting read as it is full of many examples and provides an avenue to exploring and understanding the nuances of the UNSC in a way that allows readers to more openly relate to it. In all, this book should be included in the 'must read' list of anyone concerned with the state of international affairs and the potential of the UN and the UNSC to act in-sync with the ...
