We have the funds for you this proper as skillfully as easy exaggeration to get those all. We present hardcover and numerous book collections from fictions to scientific research in any way. in the midst of them is this hardcover that can be your partner.

Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Hardcover

Hardcover books are usually sold at higher prices than comparable paperbacks. Books for the general public are usually printed in hardback only for authors who are expected to be successful, or as a precursor to the paperback to predict sale levels; however, ...
