Amazon.com: India’s Israel Policy (9780231152044 ...

After decades of non-aligned and pro-Arab policy, India formally established relations with Israel when it opened an embassy in Tel Aviv in January 1992. Ties between the two nations have flourished since, primarily due to common strategic interests and security threats.

India-Israel relations - Wikipedia

The rapprochement between Israel and India in recent years has been brought about at the expense of the Palestinians’ standing in India’s regional policy. This marginalization could be seen in India’s abstentions at the UNHCR votes on the Gaza conflict in 2014 and the challenges to Jewish historical links to Jerusalem at UNESCO in 2016.

India’s New Israel Policy - SWP

Initially in the period preceding independence, India’s policy was one based on pure cultural ideology. India’s founding fathers simply could not comprehend the need for an independent Jewish state...

Understanding India’s Israel Policy | Josh Daniel | The Blogs

“Israel” has long pursued a policy of constructing so-called “settlements” in the territories that it conquered after 1967, and its newfound Indian ally is nowadays following suit by allowing non-locals in Indian-occupied Jammu and Kashmir to be recognized as “residents” if they meet certain criteria.

India copies Israel’s settlement policy in Kashmir ...

India’s independence and Israel’s declaration of statehood came in successive years, but both nascent democracies chose divergent paths as sovereigns. While Israel, through a combination of reasons veered towards an overtly Western-oriented foreign policy, India followed the non-aligned path and forged relations with several Arab states.

What really explains India-Israel relations? | Diplomatist

History of India-Israel ties: Though India and Israel have many common traits, it took nearly four decades to set up an official diplomatic relationship. Both nations became independent almost at the same time, in the late 1940s, following a long struggle against the British Colonialism.

India-Israel Relations: Evolution, Challenges & Recent ...

The fact that India abstained, the paper said, “reflects a significant policy change by Delhi; traditionally, India voted in favour of all anti-Israel resolutions in UN institutions”.

Modifying India’s Israel policy- The New Indian Express

India’s relationship with Israel has been one of the most sensitive and controversial issues in New Delhi’s diplomatic history. India first decided to recognize Israel in 1950 but deliberately deferred the establishment of diplomatic relations.

Amazon.com: The Evolution of India’s Israel Policy ...

Given the constraints faced by opponents to government policy, it is unlikely that India is going to change course regarding its approach towards Israel and the Palestinians. The political establishment is broadly supportive of the direction which began under Congress in the 1980s-90s and which has sharpened under Modi and the BJP since 2014.

Explaining India’s Position on Jerusalem and the Israeli ...

India is particularly keen to learn about Israel’s cyber-defense systems as it considers Islamist propaganda in the Internet a major security threat. Delhi is concerned that Islamist groups are out to radicalize members of the 180 million people strong Muslim minority in India or recruit Indian Muslims for “holy war” in the Middle East.

India and Israel: A Demonstrative Love Affair - The Globalist

Broadly speaking, although India enjoys commercial ties with Israel, especially in the fields of defence and counter-terrorism, it essentially views itself as a regional power.

India’s Misunderstood Israel Policy - The Diplomat

India first decided to recognize Israel in 1950 but deliberately deferred the establishment of diplomatic relations. Then, in January 1992, New Delhi abruptly modified its no-relationship policy and exchanged diplomatic missions with Tel Aviv.
