Re: 300 loader for JD 3005 For new (if any left), you will need to go to a dealer and have them do a search to see if there is any on the ground on a dealer lot. Deere does pretty good job about paying shipping costs a lot of the time for aged units but would also depend on if it was still palletted (sp) or already put together.

John Deere 300 Wheel Loader Parts Manual (tractor & loader)

1970 400 john deere loader hydraulic problem. I have a loader control valve problem. It was leaking oil so I took it to a supposedly hydraulic mechanic. He said he could not find parts for it. He charged me for working on it and when I got it home it was rough and had to manually pull and push the handle in and out of positions.
