## **Land administration and practice in Hong Kong: Second edition**

As land administration is governed by private contract law rather than legislation, it is constantly evolving with the courts handing down decisions on a regular basis. Government practice also has to respond to this, as well as to the community's concerns on how best land can be administered.

## **Land Administration and Practice in Hong Kong on JSTOR**

Hong Kong is frequently acclaimed as the most open and business-user-friendly environment in the world. However, it is often forgotten, or overlooked, that this paragon of capitalism is founded, indeed underpinned by a socialist leasehold land tenure system. As the Government is landlord to virtually all land in the SAR it plays a pivotal role in the administration of this scarce and therefore ...
