Social Web for a Rapidly Changing World. Posted on January 27, 2019 1 Comment — New Co-Author: Mikhail Klassen — Over the last two years, Matthew and I have been overhauling Mining the Social Web, preparing to release this technical manual in its third edition. I was brought on to help with the project, which ended up taking some interesting turns.

simple purpose of taking social web mining mainstream.. Valuable social data is scattered all across the web, and there is no shortage of good ideas about what to do with it. However, relatively few people are acting on those ideas in an impactful way, and this is a situation that desperately needs to change.
