The user starts the process by logging into the eForms site, browsing to the RD 410-4 loan application. At this point there are options to either complete the loan application directly within eForms or upload an existing application from another loan application system (provided it is compatible with the eForms site).

The RD600, RD900, and RD1200 modules are all described in the same user manual. Is your controller not working the way you expect? The Irritrol RainDial manuals are good, but if the controller is failing, the user manual won't help. As they fail, the RainDial controller often behaves erratic and becomes intermittent as it begins to fail.
