The Story of Stone Soup Once upon a time, somewhere in Eastern Europe, there was a great famine. People jealously hoarded whatever food they could find, hiding it even from their friends and neighbors. One day, a peddler drove his wagon into the village, sold a few of his wares, and began asking questions as if he planned to stay for the night.

### The Story of Stone Soup

2. Let's compare our pot of stone soup to us, as a group of young women. How are we like that pot of soup? Thinking about our soup, what was your favourite ingredient? What ingredients would have made it better? What if the beef broth or hamburger had been missing? Without particular ingredients, the soup is not as tasty.

### Discussion questions after reading "Stone Soup"

One of the villagers becomes curious and asks what they are doing. The travelers answer that they are making "stone soup ", which tastes wonderful and which they would be delighted to share with the villager, although it still needs a little bit of garnish, which they are missing, to improve the flavor.
