Great manual Typical of Apple they've
thought of about everything. Well
organized, written and illustrated, the
handy Apple Watch guide is going to be
my #1 resource to learn about the
operation of my new watch. Apple MUST
spend an equal amount of resources on
writing their guides as the do developing
their merchandise. Bravo! Well done.

yet read these although I would really like to. The reason I did not give it more than two stars was because I couldn't find a price anywhere and I did see an ad for it that said it was free but it doesn't know if they're on the actual item so it said the item had been paid because it automatically went to my Apple Pay.
