murals 60+ years after its release. It's an epic tale, and one that captures the Cold War-era (written in 1957) along with the golden age of pulp science fiction.

### **The Eternaut by Héctor Germán Oesterheld**

The Eternaut begins with a testimony, and for all that the book evokes Robinson Crusoe in its narration (writer Héctor Germán Oesterheld was quite the fan) I couldn't help but think about Moby Dick. Robinson Crusoe is a hero in the classical sense, a man who builds up his world through rugged individualism (and the grace of god).

The Eternaut - Wikipedia. It isn't the red-scare propaganda; neither is it anti-capitalism propaganda. Rather, it's written from the point of view of the everyday person in a etsrnauta indirectly threatened by the escalation of nuclear weaponry and the constant specter of world war. In the opening card-playing scene, after hearing about a ...
