As we question statues' future, we face our past. MFA sculpture is a powerful work of resilience. Re “As monuments fall” by Murray Whyte (Page A1, July 12): To take down the “Appeal to the ...

As we question statues' future, we face our past

One of the most common signs of a past life is déjà vu, suggests Dr. Weiss. Déjà vu is the sensation that you have met a person before or have visited someplace previously. This feeling may be a sign of a past life experience with a particular person or in a specific place.

6 Strange Signs Your Soul Reincarnated From A Past Life

We may feel helpless about what will happen or what we can do to prevent further stress. The uncertainty might also connect to our uncertainty about other aspects of our lives, or remind us of past times when we didn't feel safe and the immediate future was uncertain. In times like these, our mental health can suffer.

Taking Care of Your Mental Health in the Face of Uncertainty

The change from the oblong skull and protruding face of ancient humans (right) to the modern rounder skull and retracted face is associated with a sharper bend in the floor of the brain case (lower left), thought to be caused by increased brain size. (Staff illustration by Alec Solomita)
