The Reluctant Economist: Perspectives on Economics ...

Of the man (and his work), Sokoloff wrote, he “makes every word count.”[1] Nowhere are these observations more apparent than in Easterlin’s recently published The Reluctant Economist: Perspectives on Economics, Economic History, and Demography. Many, perhaps most, scholars in the twilight of a long, brilliant interdisciplinary career — which in Easterlin’s case includes a distinguished professorship at the University of Southern
