This is an introduction to Sufi thought by Indries Shah, a leading Sufi writer and teacher. It covers important Sufi masters, as well as chapters on dervishes, miracles, and an esoteric interpretation of the Koran. Sufism is commonly believed to be a sect of Islam, but this is not necessarily true. Not all Sufis are Muslims.

The Sufis by Idries Shah - Goodreads

The Sufis is one of the best known books on Sufism by the writer Idries Shah. First published in 1964 with an introduction by Robert Graves, it introduced Sufi ideas to the West in a format acceptable to non-specialists at a time when the study of Sufism had largely become the reserve of Orientalists. Shortly before he died, Shah stated that his books form a complete course that could fulfil the function he had fulfilled while alive.
