As one of the nation's most popular new cars, you're not short of choice when buying a used Ford Focus. Launched in 2014, it was more a heavy facelift of its predecessor than an all-new model, but the changes were so significant, it felt like a new car.

Review: Ford Focus (2014 - 2018) | Honest John

I have just recently bought a58 plate audi a3. It is a 2.0 tdi, 170 bhp with 55k miles. My concern is safety as I have read on multiple forums that the injectors are a common fault on these cars. And when and if they do go you lose all power. That to me is very dangerous situation to be in. Just got the cambelt and service by audi.
