Any Questions? The title could be read as a cocky blogger exhibiting bravado as his target came in to perfection today (ooh, look at me but just don't look at the bad calls in the closet). Ah, but it is not anything like bravado because to answer the title's question, I for one have questions because we're at target but I'm damned if I can pretend to know what it is going to do from here.

Roster updates from School Data Sync automatically update the Class Notebook roster. In the past, when School Data Sync made roster updates from the students in the class, these updates would not happen until the educator went and clicked on the “Class Notebook” tab in the Class Team, which was a big complaint and time waster.
