5 Signs Your Anxiety Is Spinning Out of Control

How to stop worrying tip 1: Create a daily "worry" period. It's tough to be productive in your daily activities when anxiety and worry are dominating your thoughts and distracting you from work, school, or your home life. This is where the strategy of postponing worrying can help. Rather than trying to stop or get rid of an anxious thought, give yourself permission to have it, but put off dwelling on it until later. Create a "worry period."
