Oil Filler Cap - Find the Right Part at the Right Price ...

Whenever we perform maintenance checks on our vehicles, we seldom open the engine oil cap. In most cases, we check the level of engine oil via the dipstick on the side of the engine. The only time that we tend to open the oil cap is during a scheduled oil change. This often occurs every 5,000 to 10,000 miles, depending on the age, make, and model of our vehicles.
