## **Haas Programming Workbook Manuals User Guides - CNC Manual**

This manual provides basic programming principles necessary to begin programming the HAAS C.N.C. Milling Machine. In a "CNC" (Computerized Numerical Control) machine, the tool is controlled by a computer and is programmed with a machine code system that enables it to be operated with minimal supervision and with a great deal of repeatability. The same principles used in operating a manual machine are used in programming a CNC
