## **1976 Harley-Davidson SS-175 2-Stroke - Aermacchi - YouTube**

Used (normal wear), Bought this last month to take on as a project and haven't touched it since putting it in the garage. I have a feeling it will sit there for a long time. So someone else can take on the project. Doesn't run, looks like some missing parts, battery and sprocket cover from what I can tell. It rolls and tires hold air, so it's easy to move or load.
