Mbe 4000 motor what is the most common problem in 2006 ...

My brother is a foreman at a county road commission that has about a dozen MBE4000 engines. From what I have seen shortly after hitting 10,000 hours (haven't had one make it to 11,000 without major work) they pop in some way, last one lost a valve tossed it into the turbo and then ran away as oil poured into the intake side of the turbo.
