### A Northern Light Summary | GradeSaver

The novel begins in an alternate world that is similar to Earth. Lyra Belacqua, a young girl who has been given shelter by the scholars at Jordan College at Oxford University, and her "daemon," Pantalaimon, hide in an off-limits wardrobe in the Headmaster's rooms. (In Lyra's world, daemons are the external forms of people's souls.)

### Notes from the Northern Lights (A Short Story) | Rakuten Kobo

"And then Serafina understood something for which the witches had no word: it was the idea of pilgrimage. She understood why these beings would wait for thousands of years and travel vast distances in order to be close to something important, and how they would feel differently for the rest of time, having been briefly in its presence.
