The Success Guide is a quick introduction to explain how the Precision Nutrition (PN) system works. It also serves to get you motivated to take action rather than just learn and theorize about losing weight. Ten success tips about goal setting, making progress, etc. are included.

## **The Precision Nutrition System - Reviewed by Coach Levi**

What he, and the Precision Nutrition team, have found though is that for the majority of people, eating quality food every 2-4 hours is more likely to lead to success than the alternatives, at least to begin with. And as he says in the pdf, once you have mastered the basics, then you can tweak things to your individual needs and preferences.
