Advanced Macroeconomics continues its tradition as the standard text and the starting point for graduate macroeconomics courses and helps lay the groundwork for students to begin doing research in macroeconomics and monetary economics. Romer presents the major theories concerning the central questions of macroeconomics.

Advanced Macroeconomics | David Romer | download

The problem sets go into great detail; the solutions manual is a must to obtain! I have just a few nits: there is no glossary of symbols either at the front or back of the book or at the beginning or end of each chapter. The chapter on inflation was a little funny because Romer says he doesn't understand the costs of inflation!
