on improving outcomes for pupils. To facilitate self-evaluation as a central component of the work of a school the Inspectorate has published School Self-Evaluation Guidelines 2016-2020: Primary (Department of Education and Skills 2016). This publication provides a framework and structure for schools to use in evaluating teaching and learning.

## **A GUIDE TO INSPECTION IN PRIMARY SCHOOLS**

School self-evaluation is a collaborative, inclusive, reflective process of internal school review. During school self-evaluation the principal, deputy principal and teachers, under the direction of the board of management and the patron and in consultation with parents and pupils, engage in reflective enquiry on the work of the school.

## **School Inspection & Self-Evaluation: Working with the New ...**

School self-evaluation processes help to facilitate the development of positive working relationships between LEAs and their schools. The great majority of LEA officers interviewed had a clear view that they were working with schools: 'Ofsted's vision for school self-evaluation seems to be inspection.

## **Evaluating school self-evaluation**

In line with international best practice, school inspections place a firm emphasis on the need for schools in the UAE to become more familiar and confident with the processes of self-evaluation and improvement planning. This inspection framework should be an important tool for schools to use as part of their own self-evaluation procedures.

## **United Arab Emirates School Inspection Framework**

And, what does the new relationship between inspection and self-evaluation mean for schools? School Inspection and Self-Evaluation: Working with the New Relationship addresses these issues, and unpicks the legacy of an Ofsted regime widely criticised as invasive and disempowering to teachers."
