### The Question Concerning Technology And

The Question Concerning Technology (German: Die Frage nach der Technik) is a work by Martin Heidegger, in which the author discusses the essence of technology.Heidegger originally published the text in 1954, in Vorträge und Aufsätze.. Heidegger initially developed the themes in the text in the lecture "The Framework" ("Das Gestell"), first presented on December 1, 1949, in Bremen.

### The Question Concerning Technology - Wikipedia

Heidegger's lecture, "The Question Concerning Technology" (1954) was published five decades after Otto Weininger's 'Sex and Character' saw daylight. In between the two literary events, the world experienced two world wars, a communist revolution, ...

### The Question Concerning Covid-19 and Technology — Gilad ...

The Question Concerning Technology is a powerfully rewarding, harrowing, and near-impenetrable read. I can't claim to fully grasp all the foundations and corollaries of Heidegger's argument, but when the danger of the essence of technology, and its power to enframe all around it into inventory, began to take shape in my mind and understanding, it was one of those rare moments where as a reader ...
