What's Wrong with Negative Rates - Retirement Income Journal

What's Wrong? Asking this question leads to negative people (narcissistic people) to think they can now manipulate you and use you. If you see them pouting FOR NO REASON or throwing a hissy fit every time you enter the room, the best thing to do is NOT to REACT.. The reason that these kidults do this is that they are trying to gauge if you will be someone who is easy to manipulate.
